

## SCIROCCO A THREE TIME CONSUMERS DIGEST BEST BUY HOOD

### DOWNDRAFT

#### [Premium] Faber Scirocco Plus SCIR3014SS

Is an upgraded version of a previous Best Buy selection, and it now packs even more bang for your buck. This model retains the features that we liked about the original: a grease-filter sensor that switches off the vent if grease filters are removed for cleaning. Now those features are combined with a 14-inch rise height, which is 6 inches taller than before. **The Scirocco Plus SCIR3614SS** which is 36 inches wide, is also a Best Buy.

#### Features:

- \* Internal blower included: No
- \* Rise height: 14 in.
- \* Warranty: 1 yr.

### Faber's excellent value is recognized by Consumers Digest

The Scirocco (*Plus*) won the **Premium** selection best buy in range hoods **for the third time**. They define Premium as

**“Full featured and delivers excellent performance but is priced accordingly.”**
